

WELCOME TO **SPYRO STAKING**

# PUT YOUR PYRO TO WORK STAKE THEM NOW

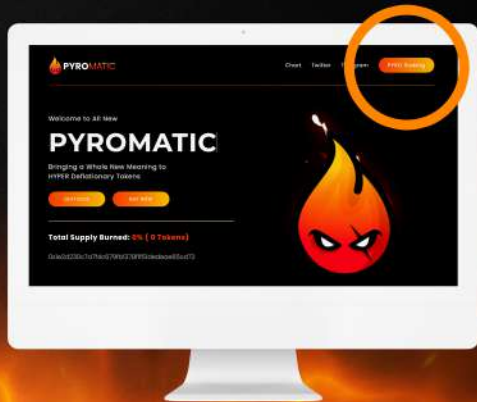

STAKING INSTRUCTIONS

# PLEASE FOLLOW THE INSTRUCTIONS BELOW ON HOW TO STAKE YOUR PYRO TOKENS

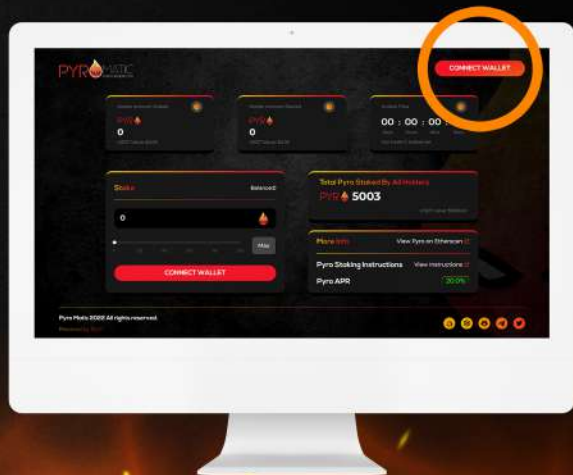

## STEP 1

Go to [www.pyrotokenerc.com](http://www.pyrotokenerc.com) and click on Pyro staking button in main navigation or staking section of website

## STEP 2

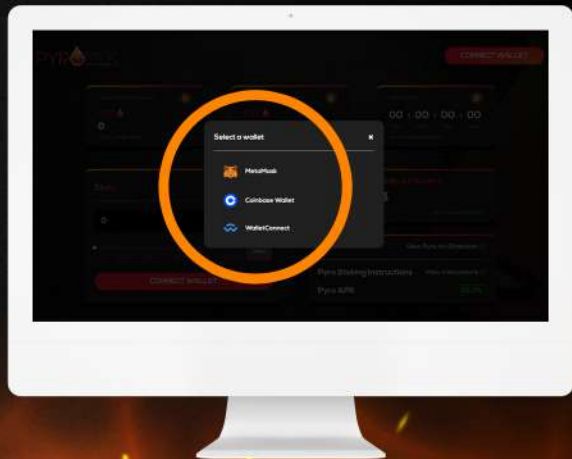

Once you reach the staking dapp click on the connect wallet button on right top.

### STEP 3

After clicking on the **Connect Wallet** button you will see a message pop up on your screen asking you to select your wallet.

Please click on the wallet that you use and want to connect (wallet that have PYRO tokens in it). Once clicked you will receive a approve message from your wallet. Approve that and you are all set to stake your PYRO tokens.

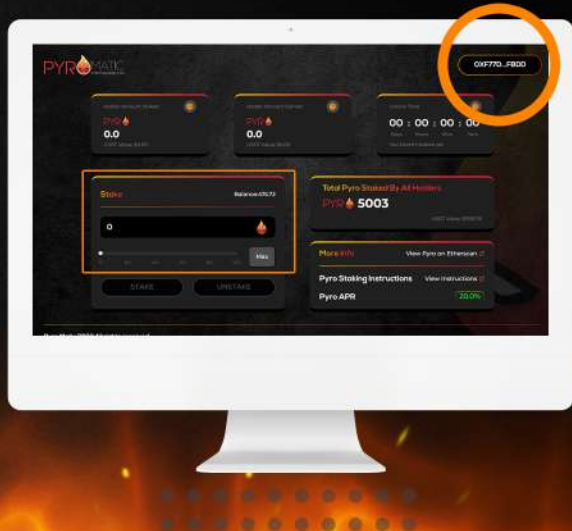

## STEP 4

Once connected you will see your wallet address in place of connect wallet button (marked with orange circle on right top of image).

Now go to stake section. It will show you the amount of tokens in your wallets (marked with orange rectangle on image). Select the amount of tokens you want to stake. once selected, stake button will pop up. click on it and approve.

Your tokens are now staked. Just relax and see your \$PYRO grow.
